Senior citizen housing set to go in village

Everything seems to be set to go on a senior citizen housing apartment building in Haliburton Village. Well almost everything.

Word had been received from the Ministry of Housing

that a 32 unit senior citizen building would be given approval but the commitment was just verbal.

Monday afternoon Dysart et al received another com-

mittment from the Ministry of Housing but this time the number of units were in question.

According to Reeve Murray Fearrey, a study will be

conducted by the Ministry to see how many senior citizen housing units are needed. The study is expected to be done next week and then a decision will be made by the

ministry as to how many units there will be in the building.

Reeve Fearrey said that the council is hoping for the 32 unit building. The building is to be located across from St. George's Anglican Church.

He said that the capital cost of the project will be financed 100 per cent by the province and that the building in all likelihood will be a self-sustaining type of operation. He pointed out that there could be a small per centage cost for the municipality.

Reeve Fearrey said that there is a wide range of benefits for the community on having the building. He pointed out that it would help create more housing in Dysart et al and the surrounding area.

The possibility of having a senior citizen apartment building in Haliburton has been "in the mill for four or five years" according to Reeve Fearrey.

He said that the apartments will be rented on a first come first serve type of basis with need included.

He pointed out that the units would be located on a geared to income basis as well.

On senior housing

Minden wants answer

The Ministry of Housing has been stalling on a decision concerning senior citizens' apartments in Minden, according to Anson, Hindon and Minden council.

Reeve Reg Booth said at council on Tuesday that the hold up is probably money, and that things are unlikely to go any further until after the New Year.

There was some fear expressed at council that a group in Carnarvon was planning to put together a piece of land and have it available to the Ministry at a reasonable price. Mr. Booth noted that land in Carnarvon would be approved, since the ministry demanded assurances that there would be sewers in before they would approve any land for senior citizens' apartments.

Other specifications laid down by the Ministry include that the property is level, within one half a mile from the business section of a town and be free of biological silt to a depth of 20 feet.

Pat White, who has been in contact with the Ministry over a parcel of land that is being considered for the site of the apartments in Minden has heard no price quoted on the land.

Councillor Helen Johnson noted that it has been a full two years since the municipality became involved with trying to get the apartments for Minden.

The Clerk, Richard Parissotto, was directed by council to contact the Ministry by

phone and letter to try and put the pressure on them for a decision on the matter. The

council feels that the Ministry has put off the decision for too long.

Livestock producers form new association

Advantages to farmers in Haliburton County will increase as the result of action taken by a group of livestock producers.

Haliburton County Livestock Producers' Association has been recently formed to ensure that the benefits of government research into farming methods and farm management will be more available to farmers of this county.

The initial objective of the organization is to arrange to have a large animal veterinary in the area, so that farmers will not have to depend on a vet coming from Lindsay at the crucial times when his service is required. Cost of his service would also be reduced if travelling time were not involved. The Ministry of Agriculture will subsidize such services in this area, but only if a

farmers association has made an original commitment.

At a meeting on Wednesday, December 8, held a well attended meeting to elect officers.

At a meeting on Wednesday, December 8, the Association held a well attended meeting to elect officers.

The president of the Association is Ross Warburton, Vice president, Bud Kirchner, and secretary treasurer, Bruce Fraser.

Directors were also named for each area, and those are: Ray Welch for Stanhope, Randy Warburton for Haliburton, John Neville for Snowdon, Jim Garbutt for Minden, Lloyd Johnson for Blairhampton and Rose Barry for West Gullford.

President Ross Warburton noted that of the 50-60 who attended the meeting, about 40 were under 35 years old, and that this was the age group that was going to bring farming along in the county.

Through the Association, government advice and information will be available free of charge. The advisor

appointed to this area is Carm Hamilton of the Ministry of Agriculture in Lindsay.

Mr. Warburton noted that the government has spent thousands of tax dollars on research to develop new farming methods, but these have not been available to farmers for want of a body to distribute information.

A place that is now running 10 to 15 head of cattle could, with little financial outlay, be handling a larger herd by using the techniques that will be more readily available. Mr. Warburton said. He is enthusiastic about the benefit that will come to the county as a result of the Association. Farmers who have in the past been unwilling to turn to the government for help, should now find that being up to date on farming techniques will make a great difference to their success.

As a side benefit, the county fair will also improve, as the Association hopes to increase interest there as well.

The next public meeting of the Association will be held on January 22.

Bridge repairs nearing completion

Repairs to the Sunnybrook Bridge are nearing completion and things are going as well as can be expected, according to Richard Parissotto, the clerk-administrator of Anson, Hindon and Minden.

The bridge was constructed for the first time under winter conditions some 20 years ago, but advances in technology mean that the same mistakes are not being made this time.

Winter conditions may

have been at fault in the original construction of the bridge. When workmen drilled away the concrete deckwork of the bridge, they found some spots that were as hard as rock and others that crumbled quickly, Mr. Parissotto said.

Those soft spots were found throughout, not just at the end of the bridge where the hold had developed. Mr. Parissotto noted that when such a condition is present it is necessary to replace the entire surface in order to remedy the problem.

Mr. Parissotto noted that the four concrete pillars at the corners of the bridge were solid on top, but when taken down were found to be badly pitted at the bottom. He said that to his knowledge the pillars would have stood, but would probably need replacing in the next few years to go with the rest of the bridge. The cost of new pillars is only \$200 to the municipality.

Inspections of the concrete being used are being carried out, and insulation and heating techniques mean that the temperature on the bridge is between 60 and 65 degrees.

Mr. Parissotto noted that the completion of the bridge is somewhat later than planned, but that it would not be pressed so that there would be adequate time to finish the job properly. He said that there would be adequate time to finish the job properly. He said that the job would probably last until just before Christmas.

Council cautious when discussing snowmobile trails to Whitney

Dysart Council is being pretty cautious when it comes to allowing snowmobile trails in the area.

A few months ago the Ministry of Natural Resources decided that the Whitney Trail should be disbanded. The trail runs along hydro lines from Haliburton to Whitney.

The decision was overturned some weeks ago and it was decided that the trail would be open this year and for a few years until an alternative was found.

Monday Dysart Council received a letter from the Bancroft district of the ministry asking for permission to have a trail along part of municipal roads.

Reeve Murray Fearrey said to the council that this proposal should be investigated in case this was an attempt at an alternative route.

He noted that the letter read, "to establish the McClure Trail, Whitney to Haliburton."

Councillor Gary McKnight reminded everyone in the room that the ministry said that the present Whitney trail would be open until an alternative was found.

Council decided to phone Roy Bates, secretary treasurer of the Haliburton Cou-

nty Snowmobile Association. Reeve Fearrey told the council that Mr. Bates does

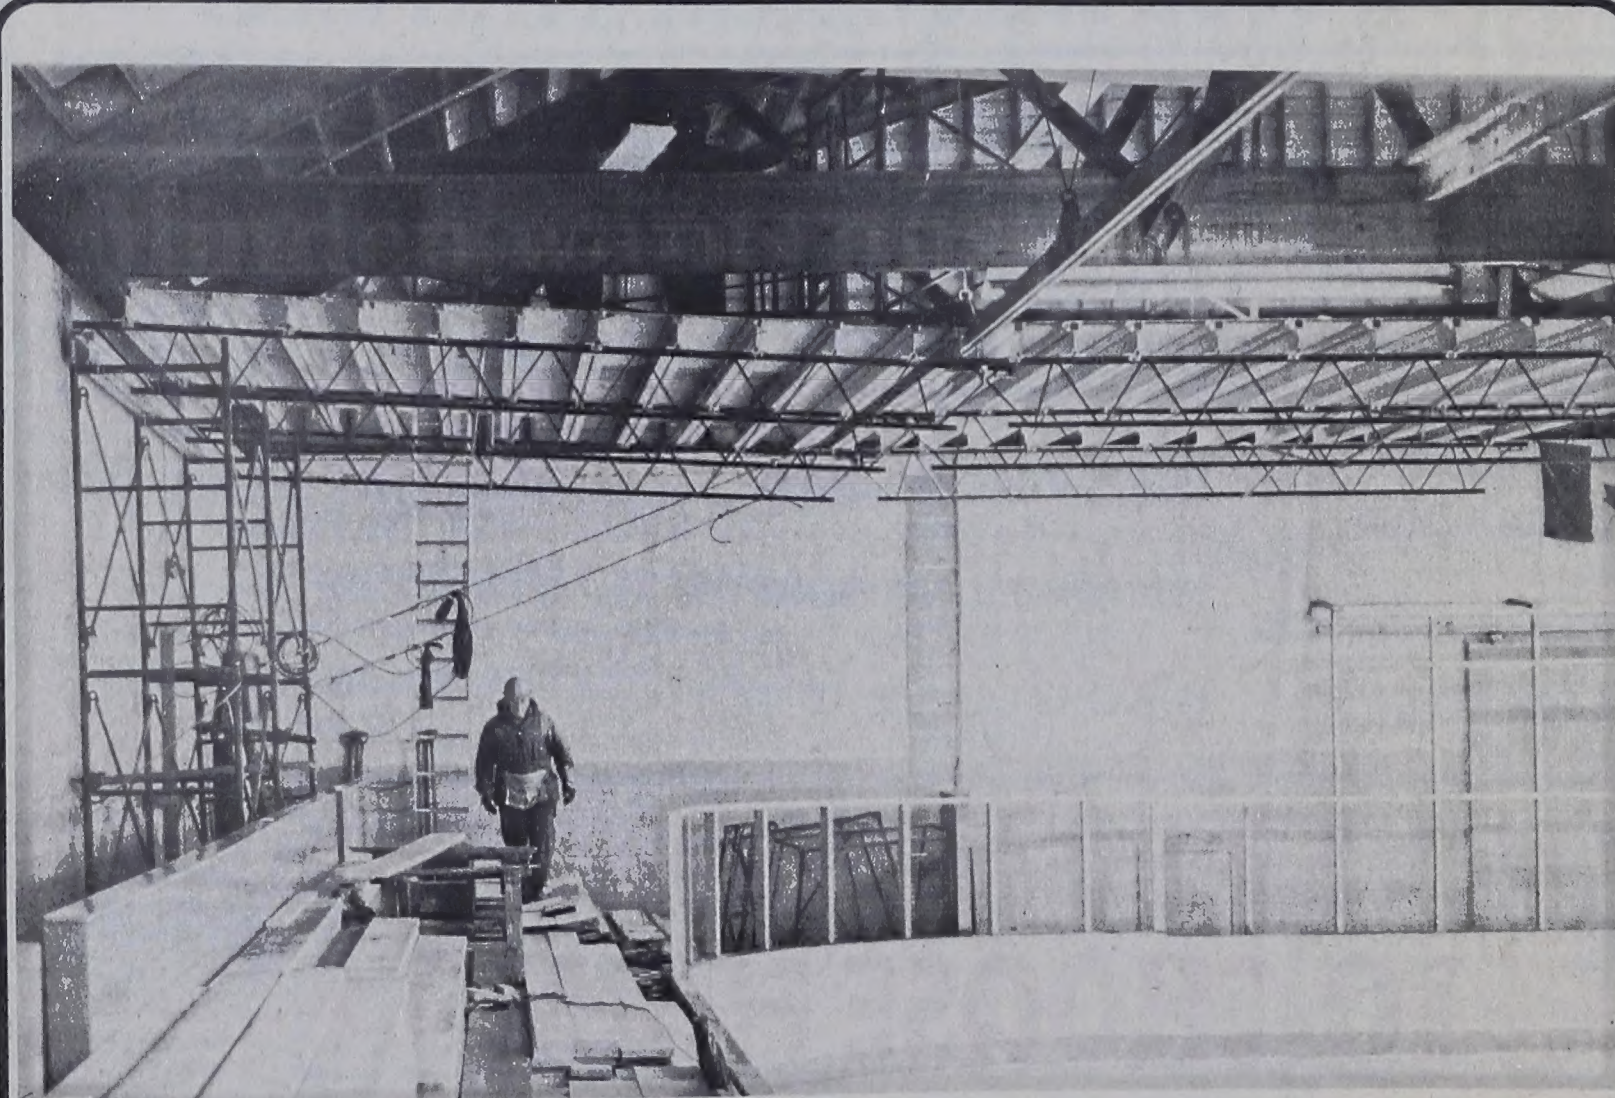

not feel that this proposal will hurt a trail into Whitney. The council gave the

permission for the use of a section of road for a new trail.

Bob Austin of Minden receives a testimonial parchment on behalf of the Royal Canadian Humane Association from Deputy OPP Commissioner L. Gartner. Mr. Austin was given the parchment for his successful effort to save the life of friend Peter Windover in a snowmobile mishap last January. The deputy commissioner also presented Dick Kinsman an award for the Stanhope Fire department for the part they played in working after the Hawk Lake Causeway disaster. The award was the Commissioners Citation, the highest award that can be given to a citizen or a group of citizens. The award was presented at Mr. Foggs last week.

Election results page 4

Work started this week on the repairs to the Dysart Arena. The total cost of the project is \$38,576 which will be financed 75 per cent through the Ministry of Culture and Recreation and Wintario and the other 25 per cent by private donations. The contract for the

repairs was awarded to George Elstone Construction of Haliburton. Municipal officials see no problem in keeping the arena open during the construction period. The work to the interior of the roof in the arena is expected to be done early next month.

Echo Inside

33 occurrences

The Minden detachment of the Ontario Provincial Police investigated 33 general occurrences and eight motor vehicle collisions during the week of Dec. 6 to 12. For more details see page three.

This and That

Jennifer Woods has some tips on entertaining Christmas guests with food. If you have never tried Chicken Livers and Bacon rolls, Savoury Tarts or Almond Cheese Balls, see Jennifer's column, This and That on page eight.

Huskies lose 2

The Haliburton Huskies took a plunge closer to the bottom of the league over the weekend but there was some encouragement by the performances of the team in two games, one against Lakefield and the other against Wellington. For more details on the Huskies and more local sports news see pages six and seven.

First council meeting

The first meeting of the new Dysart et al Council will take place Jan. 4. The council will be officially sworn in at that time.

New members on the council include Roy Brohm, a past reeve of Dysart and Jack Denholm who will represent the West Gullford area. Returning to the council will be Reeve Murray Fearrey, councillor Gary McKnight and Deputy Reeve Harold Bannon who has stepped up from a council seat.

Checking parking meters

If you have been parking your car in the downtown area without putting some cash in the meters you had better look out.

The municipality will be checking a lot closer on the overdue meters and putting a few tickets on cars.

Councillor Harold Bannon said that he wondered if it would be wise to be too hasty in ticketing the cars. Reeve Fearrey assured him that it is quite evident that the municipality is about to enforce violations on the parking meters.

Talk about snow removal

The Ontario Provincial Police, along with a number of municipal officials of the area, will be discussing vehicles parked on streets during snow removal operations.

Dysart et al council was notified of the meeting, which will take place at St. Paul's Church Minden, Dec. 20 at 2:30 p.m.

A letter from the Solicitor General's office noted that the meeting has been set up as a result of a local planning

meeting of the Minden detachment of the OPP.

Boxing Day

The Municipality of Dysart et al Council has declared Dec. 27 an official holiday.

The council declared Dec. 27 Boxing Day because the usual day after Christmas Holidays falls on a Sunday this year.

THANK YOU

I would like to thank you the ratepayers of the Township of Stanhope for the first acclamation as Reeve for the past 21 years.

I will make every effort to make the Township progressive and wish you all a Happy and Progressive New Year.

**SINC NESBITT
REEVE**

WELCOME

A home designed and built to accommodate 5 teenage boys and their host family has been completed and, become a working reality — Now part of the Community of Haliburton.

It has produced approximately 3,000 man hours of work all for local men. All sub trades were from this area and all materials were purchased locally.

The building will pay taxes without any extra snowplowing or road extensions to burden the municipality.

The ongoing benefits to Haliburton are the purchase of food goods, clothing, gas, oil, insurance, medical and all other services.

We are proud to have been instrumental in bringing this clean, well located small business to Haliburton.

The statistics relating to snowmobile collisions in Ontario for the 1975-76 winter season make interesting, though gory, reading. Actually, the grand totals of collisions involving injuries or fatalities were the lowest of the past five seasons. Property damage only collisions were up due to the lowering of reporting criterion from \$200 to \$100. Fewer collisions but more of them reported.

In the 760 collisions officially reported, 26 persons were killed, 45 persons were injured, and 268 were property damage only collisions. An additional 8 persons died by drowning.

On highway (includes streets and roads) collisions accounted for 21 deaths including 2 pedestrians and one car driver. Off highway collisions accounted for 5 deaths, including one on a snowmobile trail in Haliburton County. All 5 in the latter group were over 25 years of age, 4 of them were killed when riding conditions and visibility were good, and 3 died at night.

Alcohol was considered a factor in 70 of 345 off-highway collisions, but in 3 of the 5 fatalities. A similar ratio is seen in on-highway collisions indicating that alcohol may increase the severity of an accident. To put it another way, sober riders have more minor collisions but the drinkers are more prone to kill themselves.

In the "Drivers' condition" section for all collisions we find that 19 per cent on highway, and 18 per cent off highway, had their condition described as "ability impaired" or "had been drinking". When we consider that something like 80 per cent of snowmobilers do take a drink, these figures would seem to indicate that the majority of them have learned

that alcohol and gasoline is a lethal mixture and are adopting strict control. Those who have not learned are showing up more frequently in the fatality side of the ledger. Something to think about.

Lest this writer be labelled a "crusader against drink", let it be known that we include ourselves in the above mention 80 per cent and have been known to get a little over lubricated along the trails — but not recently!

We learned long ago that trees are tricky. They have a mean habit of selecting a drinking driver then jumping in front of him. Rocks and stumps and open water have been known to pull the same stunt.

It is worth noting here that of the 415 on highway collisions, 79 per cent occurred on the travelled portion of the roadway while only 14 per cent of off highway collisions occurred on snow vehicle trails. The severity of collisions was much greater on roads, only one fatality on a trail.

We do not have figures to compare the mileage of on highway and on trail operation, but we do believe that increased trail development over recent years would now place trail use in the higher bracket. In any case, it is clear that trail riding is by far the safer form of snowmobile operation.

It is also worth noting that in all snowmobile accident records there has never been a fatality in Ontario reported as having occurred in conjunction with an organized snowmobile club activity. We hardly think that can be pure coincidence.

CLUBHOUSE OPENING PLANNED

The Haliburton County Snowmobile Association will officially begin its club activities for the season with a clubhouse grand opening on Wednesday, December 29th. The day's events will include organized rides, snowmobile games, a short informal meeting, and a social evening to allow members to get acquainted. The coffee should be hot by mid-morning for those who arrive early. A meal will be available in late afternoon. Plans for this item are not yet finalized. It may be a hot dinner in the clubhouse, a cookout outside, or we may choose to ride out to one of the fine dining establishments along our trails.

The location is the old Donald school on #519 highway. Members are encouraged to ride in if they can. For those who prefer to transport their snowmobiles, parking space is available. All events of the day are open to members and their guests. Visitors from other clubs are also welcome.

Nearest re-fueling station, Koshlong Marina, about one mile.

Along the Trail by Roy Bates

In the Capital With MP Bill Scott

The Auditor General's report, tabled in the House of Commons last month, continues to hold the attention of the Official Opposition. There are a number of good reasons why we cannot just drop this matter and let it lie.

In the first place, we are in the process of investigating some very serious charges of financial mismanagement, levelled by the Auditor General, against some of the Crown corporations in Canada, corporations that operate with little or no direct supervision from the government.

Some time ago I mentioned in this column that the Auditor General had stated in his report that "No central government agency recognizes the need to identify all the Crown corporations owned or controlled by the government of Canada."

Not long afterwards I was surprised to learn that, not only is there no agency responsible for identifying Crown corporations, there is no one in the government who is sure of how many Crown corporations there are in Canada.

The Canada Year Book on government organization lists 49 Crown corporations, the Public Accounts of 1976 register lists only 43, while the Auditor General's report lists 73 Crown corporations.

This should give some indication of how serious the situation is, and should also show why the opposition in Parliament is so determined to get to the bottom of the mess. In my view, there has never been a time in the history of Parliament when the Opposition has had such a vital role to play.

Since there is no single individual or agency with the responsibility of identifying Crown corporations, then it follows that there is no one who has the responsibility to monitor financial management of those corporations.

The Post Office has been an expensive embarrassment to Canadians for a number of years, and today there is some doubt as to whether the government or the unions actually run the Post Office. Last year, the Post Office has a deficit of 321 millions of dollars, a loss that was certainly not justified by the level of service provided by the department.

CNR with assets of five billion dollars, lost 168 million dollars last year while at the same time down-grading passenger service in favour of freight. I have to wonder if there is a single federal transportation facility in Canada that is still interested in transporting people.

CBC continues to be the model of how not to run a business, according to the Auditor General. Last year CBC lost 300 million dollars, in spite of the fact that they are running more commercials on the network than ever before.

OPP investigate 8 car accidents

The Minden detachment of the Ontario Provincial Police investigated 33 general occurrences and eight motor vehicle collisions during the week of Dec. 6 to 12. Members of the detachment investigated two break-ins, three persons were charged under the motorized snow vehicle act and one person was charged with impaired driving.

A single car accident Dec. 10 resulted in \$600 damage to a vehicle driven by Gerald James Bull, 29, of RR 2 Minden.

The accident took place on North Road at 12:30 a.m. Bull has been charged with failing to wear a seat belt assembly.

A two car accident Thursday afternoon sent three people to Haliburton Hospital with minor injuries and resulted in \$700 damage to a car driven by Gerald James Bull.

46 of Haliburton and \$600 damage to a car driven by Russell Andrus, 68 of Haliburton.

Deborah Cary 22, and Donald Cary 22, both of Haliburton received cuts and bruises in the crash. They were passengers in the Moreau vehicle. Marie Dunnill, 64, of Haliburton received bruises. She was a passenger in the Andrus vehicle. The accident took place on Concession 8 Road. Moreau has been charged with failing to share half of the roadway.

A single car accident early Thursday morning resulted in \$1,500 damage to a car driven by Marshall Denny, 23, of Scarborough.

Denny has been charged with failing to report a collision. The accident took place on County Road 2.

An accident in Haliburton Village on George Street resulted in a total of \$700 damage to two vehicles.

There was \$300 damage to a car driven by Wanda J. Scott, 27 of Haliburton and \$400 damage to a car owned by Curry Motors.

The Minden detachment of the OPP report that the Scott vehicle was westbound when it slid into the other car which was parked on the south side of the roadway.

She has been charged with failing to wear a seat belt assembly. The accident took place Dec. 7 at 8 p.m.

Sir Sam's Ski Inn was officially opened over the weekend and with the temperatures as low as they have been it could be a long season for ski enthusiasts. Sir Sam's will be open on weekends until the Thursday before Christmas when it opens for the holidays.

Novices win

The Minden and Haliburton Novice teams met again for a second match on Saturday.

Haliburton came out on top by a close score of two to one with Eoin Ross of Haliburton putting in the first goal at 1:10 of the first period.

Minden's Mike Rawding scored next for his team at 4:20 to tie up the game.

The score stayed the same until 5:48 of the third period when Haliburton's Darryl Tunell decided the match with the last goal.

NEW JOBS FROM COMMUNITY PROJECTS. THINK ABOUT IT.

Canada Works
Young Canada Works

Canada Works is a new job creation program that will be launched in January.

This new year-round program is designed to get needed work done by people not employed in the private sector.

Canada Works will accept applications from groups and organizations including private businesses who wish to develop, sponsor and administer worthwhile community projects. Funds will mainly be allocated to areas of high unemployment and projects will be tailored to special employment needs of your local community.

Canada Works will generate employment for more than 60,000 Canadians who are presently unemployed. Applications will be considered twice a year — in Winter and Summer.

Think about your projects now! Early in the new year, your local Canada Manpower Centre will have application forms and a Canada Works "Guide to Applicants," with full details on the program. Canada Works for your community. Make your worthwhile projects work next year!

A second program is for students. Young Canada Works will create jobs for more than 20,000 students next summer. The emphasis will be on projects of solid community value. It has many of the same features as the year-round program, except projects will be limited to 14 weeks during the summer months.

At the same time, Young Canada Works will enable students to gain valuable work experience and test their career aspirations.

Like Canada Works, your Canada Manpower Centre will have application forms and a Young Canada Works "Guide to Applicants" early in the new year.

So, think about what your organization would like to do for students. Young Canada Works for students in your community.

Echo Editorials

Waiting in the Wings

Something like the Haliburton Highlands Secondary School production of Noel Coward's "Waiting in the Wings" proves that there are resources in the county that have yet to be developed.

The resources are those of imagination, hard work and skill in presenting something that is entirely different than most run of the mill entertainments that we find for ourselves on a weekend night. It's easy to get into a rut about how we spend our time off as well as how we spend our time at work.

That's why it is so enjoyable to find something that is as refreshing as the high school's production. It was different and it was good.

It is the kind of thing that everyone who lives in the community should think of supporting, and not only because they might know someone in the production. It should be supported for its own sake, and for our own sake. It is always good to get out and try something new, especially when what is to be had is of such a high calibre as the show given at H.H.S.S.

The school is a part of the community, and full of people being exposed to a variety of different topics and ways of looking at the world. When they bring something with a difference to the area, it deserves to be seen.

There is always room for growth, and the quality of the production presented at H.H.S.S. is proof that there are lots of resources for that growth in our own community.

Sports director

The Municipality of Dysart et al has needed a sports director for a long time. It seems that the time is drawing near when this dream will become a reality.

The subject of a sports director has been tossed around for some time now and it seems that finally some action is going to be taken toward this end. Other municipalities are hiring or have sports directors and it's just about time that we were in this same category.

In his election platform the newly elected deputy reeve, Harold Bannan stated that he was for a uniform sports program for our young people and at the All Candidates meeting held previous to the election Mr. Bannan told the audience that "We must search for the funds to hire a Recreation Director, so that the youth in our community have equal opportunities across our municipality."

Letter

The Editor
Haliburton County Echo
Haliburton, Ontario

Dear Sir:

On behalf of the cast of "Waiting in the Wings", I should like to express my thanks for your generous coverage of our recent production. My special thanks to Susan McLaughlin for her very kind comments.

Without the support of the community, such cultural activities as drama and music would not be possible.

I should also like to draw your attention to an error in your December 8 review. The part of the maid was played by Miss Lonnie Wood of our Grade 11 Theatre Arts Programme, her first dramatic appearance. The production was directed by Mr. Stephen Phillips of our English Department, not as stated in your review.

Sincerely,
(Miss) N.L. Philip
Head of English
Haliburton Highlands
Secondary School

The Echo

Established in 1982 as the Minden Echo and Haliburton Recorder. An independent weekly newspaper serving Haliburton County for 94 years and published every Wednesday by Algonquin Graphics Ltd. at Highland Street, Haliburton, Ontario.

Pic of the Past

Our Pic of the Past this week shows the first Eagle Lake Settlement on the hill, with view of Eagle Lake and Moose Lake in the back ground. The photo was taken in the year of 1920. Our thanks to Lena Clarke of Eagle Lake for submitting this most interesting photo.

Haliburton Highlights

Well it's going to be a long winter if the month of December is any barometer. We have had plenty of snow and cold weather here in the Highlands and there just doesn't seem to be any end to it.

Mr. Graham Wallace was a recent speaker at the Rotary Club meeting in Haliburton. Mr. Wallace was born in Deep River, Ontario, attended various schools in Ontario plus 2 years in Argentina, and this year is attending grade 13 at the Haliburton Highlands Secondary School. His father, David is with the Atomic Energy of Canada in Argentina. Graham gave a slide presentation followed by a very interesting question period.

Our congratulations to the employees of the Municipality of Dysart et al and the employees of the Department of Transportation and Communications for keeping the side roads and highways clear of snow. A good job well done.

Santa Claus is coming to Haliburton on Saturday, December 18th through the courtesy of the Haliburton Rotary Club. Santa is expected to arrive around 1:00 p.m. at the Christmas tree in front of Steinberg's parking lot to distribute gifts and treats to children of all ages. For all the children a Walt Disney Movie will be presented at the theatre starting at 2:00 p.m.

Send Season's Greetings to your friends and customers with a specially selected Greeting Ad

in a tastefully designed, colourful greetings section in our Dec. 22nd issue. This special section will reach over 8,000 homes throughout Haliburton County. This special Christmas edition will be in both the Haliburton County Echo and the Minden Recorder. Please call us at 457-1037 or 286-2205. Either Creighton Fair or Donna Brohm would be pleased to drop by and help you make your selection.

There was a good turnout at the Haliburton arena on Monday, December 6th to get a shot to protect them from the swine flu.

Mr. Jim Johnston of Haliburton will be the guest speaker when the Brotherhood of Anglican Churchmen hold their monthly Corporate Communion and breakfast at St. George's Anglican Church, Haliburton this coming Sunday, December 19th at 8 a.m.

The Haliburton-Victoria Truckers Association held a Christmas Dance at the Royal Canadian Legion Hall in Haliburton on Saturday night. Music was supplied by the Kawartha Pioneers.

The Haliburton Huskies will be meeting Colborne at the Haliburton Arena this coming Saturday afternoon December 19th at 2 p.m. Try to get out to the game.

There will be a Christmas Pageant at St. George's Anglican Church in Haliburton on Tuesday, December 21st at 7:50 p.m. and on Wednesday, December 22nd at 7:30 p.m. Admission is free.

Editor's notebook

BY JIM BADGLEY

It is back to business for the many elected bodies in Haliburton County all thoughts have turned back to work, we hope, now that the municipal elections are over.

I would expect things to be a little slow at the municipal level for the remainder of this month with the old councils going out and the new ones coming in.

It will be up to the council veterans to make the changes as smooth as possible. They will be required to educate the newcomers in the ways of municipal government.

One of our local politicians passed on a suggestion to me the other day for the local downtown businessmen. It was pointed out that a number of the businessmen are parking on the main street which is perfectly legal but as this person put, not always in the best interest of business.

He suggested that perhaps the businessmen should be leaving the main street parking for the customers who probably wouldn't mind finding a spot to park near the stores they will be shopping in.

I will admit that there is not an over abundance of parking in downtown Haliburton, or any of the other municipalities in the county and even during the slow business periods, sometimes it is no easy task finding a place to put the family vehicle.

It may become financially wiser for the downtown businessmen to find other places to put their cars because as the grapevine has it the cost of a parking ticket in Haliburton just might be going up come the new year.

One can see that it gets a little difficult to be running out dropping money into the parking meter all day when a person also has to tend to business.

During these weeks before Christmas the municipality will also be putting a little bit more emphasis on illegal parking on the main street and in all likelihood a few more tickets will be handed out.

I can only express admiration for the fine work done by a number of local people honored with special awards last week.

Bob Austin was given the Royal Canadian Humane Association's Testimonial Parchment for the part he played in saving the life of Peter Windover during a snowmobile incident last year and the Stanhope Fire Department was honored as a group for the job they did in helping to recover three bodies in the Hawk Lake culvert causeway collapse.

One election promise that I hope is followed up on was made by Harold Bannan. Mr. Bannan wants to investigate the possibility of getting and recreation director for Haliburton.

No doubt, if the right person can be found it will be a real plus for the community. Dysart is growing and with the growth comes more people with more spare time and the onus will be partly upon the municipality, with our tax dollars to provide this recreation.

The Word of God

by Brian V. Sullivan

The Jewish (or Mosaic) dispensation had its beginning with the giving of the Law from Mt. Sinai. It spans a period of about 1500 years until the death of Christ. The remainder of the Old Testament books deal with the Mosaic dispensation. It should also be pointed out that the first four books of the New Testament deal with events that transpired under the Law of Moses. (Galatians 4:4 reveals that Jesus was born under the Law). However, we recognize the most of His kingdom and had application to that kingdom. Back to the Old Testament record we turn our attention once more. It must be remembered that this period (the Mosaic) deals with the then chosen people of God, the physical children of Israel. Any reference to other peoples (the Gentile nations) is minor and secondary. They only enter the picture when the Israel enters their geographical location, or has a battle with them, or if God chastises them or uses them to chastise Israel.

In this article we will examine the sub-sections that make up the Bible History up to and including the Divided Kingdom Period.

Let us begin with the "Wilderness Wandering Period". Following their release from Egyptian bondage and their crossing the Red Sea, the Israelites were given the Law at Mt. Sinai. Following that, they were made to wander in the wilderness for forty years because of their unbelief and murmurings. The leader during this time was Moses. The major events of this period are found in Exodus 20 thru Deuteronomy 34. Following the death of Moses, we enter the "Conquest of Canaan Period". This period deals with the Israelites, under the leadership of Joshua, and with the help of God, conquering the promised land. The Bible book of Joshua records this history.

After the death of Joshua, a period of uncertainty came upon the Israelites. During the "Period of the Judges" Israel showed their lack of stability. When a judge ruled, they were faithful to God. When the judge died, they turned aside and were taken over by Gentile forces and influences. The judges were merely leaders of the people, who were raised up in a time of oppression to deliver the people of God. There were 15 judges in all. Samuel, the last judge, and also anointed the first king over Israel. The events of this time period occurred in the record of the book of Judges, Ruth, and the first nine chapters of 1 Samuel.

With the coming of a king, we enter the "United Kingdom Period". This period covers some 120 years of time, during which a single monarch ruled over the entire nation of Israel. There were three such monarchs: Saul, David and Solomon. The reign of Saul is found in 1 Samuel 10-30. The reign of David is found in 2 Samuel 1-24 and 1 Chronicles 10-29. The reign of Solomon is found in 1 Kings 1-11 and 2 Chronicles 1-9. Each reigned from Jerusalem over a united kingdom for a period of 40 years. This however, was soon to end.

After the death of Solomon the kingdom was divided into two separate kingdoms and we enter the "Divided Kingdom Period". The Kingdom of Israel, consisting of the ten (10) Northern most tribes, and the Kingdom of Judah, consisting of the remaining two (2) tribes was the result of the split. The division came about because of the unwillingness of Rehoboam (the son of Solomon) to repent from the ways of his father. Solomon has placed extreme burdens upon the people. Rehoboam, acting upon the counsel of his young advisors, increased those burdens. The resultant division came about. You can read more about this period in 1 Kings 12 - 2 Kings 25, as well as 2 Chronicles 10 - 36.

In our next articles we will look specifically at the Kingdom of Israel and the prophets that worked during their time. Thank you.

Our mistake

Mr. Steve Phillips was the director of the Haliburton Highlands Secondary School production of Noel Coward's "Waiting in the Wings", not William Giddon. Mr. Giddon composed all of the music for the play. The maid, Cora was played by Lonnie Wood.

HHSES News

The students of H.H.S.E.S. are very glad that exams are now over. Report cards went home on Friday, December 3rd.

A Floor Hockey Tournament has started between all the houses in our school. We compete in four different divisions which are Senior Boys, Senior Girls, Junior Boys and Junior Girls. Good Luck to all participants!

Earlier this year a similar tournament was held for soccer. The champions were: Senior Boys - Orange House, Senior Girls - Red House, Junior Boys - Blue House and Junior Girls - Yellow House.

Haliburton Highlands Senior Elementary School are proud to announce the winners of their Badminton tournament.

This tournament was open to all grade eight students. The matches were held at lunch hours and recesses. Out of fifty-four who joined up, it was gradually reduced to eight people.

The winners of the boys tournament were Randy Vanderstarren and Mike Moore. The runners up were Tony Scheffee and Mark Prior.

The winners of the girls tournament were Tina McCullough and Kelly Roberts. The runners up were Wendy Roberts and Carlene Poole.

All teams, win or lose, thought it was fun and wish to have more new tournaments held later on in the year.

News from Extendicare

by Charles Plewman

I'M DREAMING OF A WHITE CHRISTMAS, JUST LIKE THE ONES I USED TO KNOW WHERE THE TREETOPS GLISTEN AND CHILDREN LISTEN TO HEAR SLEIGHBELLS IN THE SNOW. I'M DREAMING OF A WHITE CHRISTMAS WITH EVERY CHRISTMAS CARD I WRITE "MAY YOUR DAYS BE MERRY AND BRIGHT AND MAY ALL YOUR CHRISTMASSES BE WHITE"

Dreaming of a White Christmas just like the ones we used to know is something that most of us are doing at Extendicare right now. Looking back, Christmas Eve was for decorating the tree and attending church service afterwards. Then, while the tired parents were asleep, the youngsters at six in the morning woke up reached for the Xmas stocking at the foot of the bed, ate some of its contents and quickly tip-toed down the stairs to discover, if possible, what Santa had left them. Soon the clan began to arrive. There was the Merry Christmases, the hugs and kisses. Everything spoke of something very special but the centre of it all was the sparkling Christmas tree loaded down and surrounded with presents. The youngsters meanwhile were "itching" to get at those presents, saying to themselves, "what are we waiting for?"

Soon Santa Claus appeared in the form of Dad and proceeded to hand out parcels to those who had been good boys and girls. I have seen wreckers go to work on buildings but nothing like the way those children tore into their parcels to find out what they contained. Only a few minutes before everything was tidy and clean, now it looked like the place had been hit by a hurricane. Clothes and toys were everywhere.

Soon the aroma of cooking turkey and steaming plum pudding filled the air. The long distant phone calls from those who couldn't make the grade, but who wanted to be in on the action started coming in. The "piece de resistance" of course was the Xmas dinner with all of the trimmings, loaded down on one big long table with most of the clan present and happy to do it justice. In the evening the parents set out in the sleigh to visit some nearby neighbours. On the way the stars danced overhead, the frings floated gaily in the

breeze, while the sleigh bells jingled all the way. Brother! how I miss the sound of those bells. To me they were romantic.

The youngsters too had plans. They beat it out to meet their friends and to show them what Santa had brought them. Some of them had new skates and in no time short they were skating and working off that gorged feeling from over-eating. Finally, the family was re-united, tired, more subdued, but happy after an exciting day.

Another Xmas just like the ones we used to know had come and gone forever.

Plans are already underway to make the Christmas Week a festive time at Extendicare. The Christmas Dinner will be served on Tuesday, the 21st at 5:00 p.m. following which there will be an informal Xmas get-together. Meanwhile the Xmas tree and decorations are going up.

Mrs. Hazel Welch and Mrs. Ethel Plewman fell recently. We are happy to say they are getting along O.K. Martha Wiggins, affectionately known as Auntie Martha, is back from the hospital with her voice as loud and her piano playing unimpaired.

Tuesday Bingo was very well attended. In the afternoon Mrs. Mary Packard showed us four short movies commencing with Xmas on Grandfather's Farm. During intermission popcorn was served, after which we saw some more Xmas films.

Xmas mail is now arriving. It is doubly appreciated when you are a shut in.

Snow or no snow, the electricians have been hooking up the new well with the old one. It has a flow of 8 gallons per minute.

On Friday our good friend Jim Cooper of the Gideons led our Devotional Period. He spoke of the coming of the Child Jesus and the good message he brought that God is love.

The Happy Gang has recently purchased a Public Announcement System, a built-in cabinet and good sized movie screen, under the New Horizons Program.

WE WISH YOU A MERRY CHRISTMAS,
WE WISH YOU A MERRY CHRISTMAS,
WE WISH YOU A MERRY CHRISTMAS,
AND A HAPPY NEW YEAR!

HARC News

On Dec. 14th a children's Christmas party was held and aided by members of the Haliburton Area Radio Club for their children. Santa highlighted the occasion passing out presents to happy faces. Later in the evening members held their first Xmas dance being the first since the club was organized it was well attended and thoroughly enjoyed. Special thanks to those who helped at ticket's, bar and buffet, also the boys in the band, it was great, we certainly would have been lost without you. Spot dances and Door prizes were won by the following. Spot Dances, Jim and Agnes Cardinell, Laurie Cardinell and Robert Gow. Tom Roberts and Genie Mackey. Door Prizes, 1st Peggy Ashley 2nd Mel Ridgewell. Almost forgot Janet Brooks won the junior Door Prize. Next general meeting January 8th, 1977 at the Haliburton High School at 1:00 p.m. Sharp!! Lets start the new year right by having it well attended. It is your club - support it. MERRY XMAS, HAPPY NEW YEAR, SEE YOU THEN.

Everyone wants
to reduce
new home costs.

Here's a new report
that suggests how
it can be done.

Ontario's present urban development standards are among the highest in the world. However, the standards set by our municipalities vary considerably, a fact which in some instances adds greatly to the cost of new housing.

Your Ontario Government believes that realistic development standards throughout the province would lead to continued high quality new housing, but at a lower cost. This case is strongly presented in a new report, "Urban Development Standards: A Demonstration of the Potential for Reducing Costs," issued by the Ontario Ministry of Housing. The report points out how more realistic standards could significantly reduce home mortgage payments, and indicates that adoption of such standards would in some areas lead to more economical use of land, energy savings, reduced

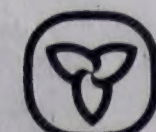

pressure on agricultural land, and greater feasibility for public transit.

If you would like a leaflet summarizing the main features of the suggested new standards, write to:

County sports

By Jim Badgley

I for one left the Dysart Arena Friday night shortly after the Huskies game started saying that our hometowners were going to get run right out of the arena.

My apologies to the few Huskies who showed up to play because they met league leading Wellington head on and only lost 7-5.

Quite a night for the Huskies, who have had difficulty getting anything together in their past few games. What makes the close score even more impressive is the fact that Haliburton had only nine players and a goalie dressed and ended up losing one of those players during the game.

The most notable missing player was Tim Oram, one of the finer defenders in the league, who was sitting out a suspension for a misconduct he picked up the game before.

Usually without Oram the Huskies just seem to fizzle, but that couldn't have been the case Friday night. For the short time I was at the game Larry Stinson seemed to be picking up where Oram left off and was forcing the Wellington club to keep their heads up or risk being run through the boards.

Stinson caught one Wellington player with a check hard enough to put most mortals through the boards, but alas it seems Wellington does not play with mortals.

The second reason for a lack of players Friday night is because the Haliburton midgets were travelling to Fenelon Falls for one of that team's most important games of the season. Missing from the lineup because they were playing with the younger club were Mike Scheffee, Ed Roberts and Bernie Nicholls.

Roberts and Scheffee have played well for both clubs this season and Nicholls has been the scoring ace for the midgets. According to the Central Ontario O.H.A. statistics as of Dec. 5 Nicholls has also been impressive for the Huskies with four goals and seven assists, 17th best in the league and second best for Haliburton. Now we don't always believe the statistics handed out by the league but a good guess is that Nicholls' figures are probably right.

Where do the Huskies go from here? hopefully up. The team is no worse than the rest of the league, and probably better than most of it. One difference would be felt if a few more people came out and watched the club perform.

There are still plenty of games left in the schedule and lots of opportunity for the Huskies to come back and be winners.

Once again, to the Huskies who must have gone out and worked their hearts out Friday night, my apologies for skipping out of the game early. Had I only known that the outcome was going to be that tight, I would have put off other appointments to see the end. I for one am a Huskie fan who will not be walking out of the arena early for any more games.

Back to the Junior D statistics, which as I said before are not always the most accurate figures on the top scorers in the league Joe Roberts has made it into 15th place through the strength of a good week a couple of games back.

Huskies drop 2 games

Two good efforts by the Haliburton Huskies were not enough and the club found itself on the losing end of games against Wellington and Lakeland over the weekend.

Sunday night in Lakeland the Huskies scored six goals in the final two periods but still ended up on the short end of an 8-6 score.

The game was marred with 38 penalties including fighting majors to Haliburton's Bart Barnes and Lakeland's Greg Tivy and a game misconduct to Haliburton's coach Craig Stamp. Stamp was ejected in the first period.

Lakeland started the game like they were going to run Haliburton out of the arena. An unassisted power play goal by Frank Young at the 1:21 mark of the first period started a rush of home team goals that would end before the six minute mark of the period with Lakeland ahead 3-0.

Steve Spencer put Lakeland ahead 2-0 on a play from Brian Hockaday at 2:29.

At the 5:11 mark Bob Hunt put Lakeland into a 3-0 lead connecting on a three way play from Steve King and Spencer.

A power play goal by Lakeland's Tivy with less than four minutes to go in the period ended the scoring for that frame at 4-0. Assists on the goal went to Randy Freeborn and Gerry O'Grady.

Lakeland opened the second period like there was no end to their scoring power. O'Grady connected from Tivy at the 19 second mark.

Joe Roberts, the Huskies leading scorer, picked up his first three goals at the one minute mark when he connected on a play from Bernie Nicholls and Dave Levey. Roberts made the score 5-2 at 5:35 of the second period with assists going to Levey and Larry Stinson.

A goal by Freeborn at the 18:35 mark of the second period ran the count to 6-2 in favor of Lakeland. O'Grady picked up an assist on the play.

With just 29 seconds to play in the second period Dave Hartwick connected for an unassisted power play goal to move Haliburton to within three of Lakeland.

The Huskies got within two goals at the 6:38 mark of the third period when Hartwick picked up his second of the evening. This one was assisted by Roberts and Mike Scheffee.

Roberts and Hartwick combined at 9:38 to move Haliburton within one goal. This time it was Roberts getting credit for the counter.

O'Grady salted the game away for Lakeland at 11:41 of the third period on a play from Hockaday.

Nicholls, the number two scorer for Haliburton, put the Huskies within one goal again with five minutes remaining on a play from Levey and Roberts.

An empty net goal with 49 seconds to go in the game, ended any hope Haliburton had of equalizing the contest. Tivy was credited with the score.

The Huskies met the league leaders, Wellington Dukes, Friday night at the Dysart Arena and ended up

on the short end of a 7-5 count.

The Huskies played the game with only 10 players. Roberts, who has provided most of the scoring attack for Haliburton, picked up three

Midgets win 6-3 over Beaverton

The Haliburton Beaverton Midgets went into action against the two top teams in their league over the weekend and came out with an even split.

The midgets dropped a 4-1 decision to Fenelon Falls Friday night in Fenelon and came up with a 5-3 win over Beaverton Saturday night at the Dysart Arena.

In the game Saturday, Haliburton opened up a 3-0 lead in the first period and never looked back.

Bernie Nicholls, the lea-

Fenelon downs midgets

Fenelon Falls midgets scored first and never looked back coming up with a 4-1 win over Haliburton Beaverton Midgets Friday night in Fenelon Falls.

Brian Swain opened the scoring for Fenelon Falls at the 9:12 mark of the first period when he connected from Ted Dyson.

At the 12:46 mark Dan Kish struck for Fenelon Falls to give his team a 2-0 lead. Assists went to Tim Armstrong and James Phillips.

Bernie Nicholls got Haliburton's only goal of the game at the 13:13 mark of the first period.

Bill Speer scored for Fenelon in the second period from Phillips and the final Fenelon Falls goal was scored in the third period, Phillips from Kish.

A total of 14 penalties were called in the game with eight going to Haliburton.

The midgets see action again tomorrow night in Sunderland at 9 p.m. and face Bobcaygeon at the Dysart Arena Saturday night in a game beginning at 8:30 p.m.

goals in the game.

The Huskies got on the scoreboard first, at the 1:19 mark, when Roberts connected from Barry Shaw.

For the remainder of the

first period it was all Wellington, who dented the net three times.

Bob Snider evened the count at 1-1 at the 2:43 mark on a play from Randy Ellis and Rick Selman.

At 10:49, Harry MacDonald scored unassisted to give Wellington a lead.

MacDonald ran the count to 3-1 with less than five minutes to go in the period on a play from Rob Selman.

It looked like more of the same going into the second period when John Woodward gave Wellington a 4-1 lead with just 1:47 gone. Gary Parks and Rob Selman picked up assists.

Roberts put Haliburton back on the scoresheet at 4:11 with just 1:47 gone. Gary Parks and Rob Selman picked up assists.

Roberts put Haliburton back on the scoresheet at 4:11 of the period on a play from Stinson.

Snider opened the margin to three goals again just over one minute later when he connected from Ellis to Blaine Way.

Tom Lowe increased the margin to four goals at 14:52 of the second period with an assist going to Terry Greer.

The Huskies came back with a goal a minute and a half later by Shaw from Roberts.

Haliburton got within two goals after only 24 seconds were played in the third period when Randy Barris connected from Dan Curry.

Any hope of a comeback by the Huskies died one minute later when Ellis netted a goal unassisted.

Roberts struck for one more Haliburton goal with less than one minute to play in the game. Assists went to Shaw and Stinson.

Only nine penalties were called in the game with six going to Wellington.

The Huskies take to the ice this Friday night at 8:30 p.m. in Bobcaygeon and will be at home Sunday for a game against Colborne which is scheduled to start at 2 p.m.

Teams playing under rules governed by the Ontario Minor Hockey Association will have to keep a closer check on themselves.

A player who receives a match penalty will be suspended from all hockey practices, exhibition and tournament games until his team has played four league games or a total of 18 days, whichever ever comes first.

A total of 31 penalties were called in the game with 17 going to Haliburton.

Bantams clobber Bobcaygeon

The Haliburton Bantams came up with one of their biggest efforts of the season last week and downed Bobcaygeon 7-1 right in Bobcaygeon.

Haliburton started early with a goal at 6:34 of the first period and only looked back once to take the easy win. Haliburton played with only 10 players.

Roger Hicks opened the scoring on a pass from Ken Wyllie.

Bobcaygeon's Greg Tilly evened the count at the 1:08 mark of the second period on a play from Dave Aubertson but the tie was short lived with Mark Prior scoring from Tony Scheffee just 10 seconds later.

An unassisted goal by Hicks at 6:22 of the second period gave Haliburton a 3-1 lead going into the final frame.

Wyllie ran the count to 4-1 at the 5:32 mark of the third period unassisted.

Leonard Hodgson gave Haliburton a four goal lead just 23 seconds later when he connected from Jim Lee.

Butch Manary made the score 6-1 two minutes later

on a three way play from Hicks and Mike Rae. Haliburton's final goal

came off the stick of Wyllie, who picked up three points during the game and no

penalties, from Manary and Hicks. A total of nine penalties

were called in the game with seven going to Haliburton.

Woodville upsets Haliburton

The Haliburton Bantams took it on the nose last week in a game played against Woodville at the Dysart Arena.

Woodville got six goals before Haliburton could come up with one to register a 6-1 win.

Tom Thornbury got the goal in the first period with just over one minute remaining to give Woodville a lead. Assists went to Wayne Simpson and David Cameron.

Simpson put Woodville out in front 2-0 early in the second period from Elroy Jewell and Murray Kelsey.

Woodville built the lead into 4-0 before the end of the period on goals by Simpson from Kevin Martin and Rick VanSchar from Myles Davis and Murray Flynn.

With only three and a half minutes remaining in the third period Woodville scored again, VanSchar from

Davis and Flynn. Flynn ran the count to 6-0 20 seconds later from David Cameron.

Wednesday bowling league

During the past two weeks of the Wednesday afternoon bowling league some good scores have been recorded.

Linda Morrison continues to lead the league with impressive 773, 705 and 665, including high singles of 313, 305, 255 and 242. Her average is 223. Close behind is Ev Stata with 783, 715 and 695 including high singles of 294, 279, 254 and 252. Her average is 218.

Other high singles and triples are Fran Wood 242, Nancy Stinson 261, Muriel Peters 258, Mildren Beatty 690 (260) Sandy Barr 666 (247) Audrey Barber 647 (282), Jack Henderson 261,

Haliburton finally got on the scoreboard with 2 minutes remaining, Mark Prior from Roger Hicks and Len-

ard Hodgson. A total of 10 penalties were called in the game with five going to each team.

Combines

Harding in lead

The Tuesday Night Combines have submitted results from December 7 that show Danny Harding in the lead of the high triple scoring, with a total of 715 from scores of 205, 244 and 266.

Pearl Foster came second with 238, 222, and 225 adding up to a high triple of 685. Third was David McKinlay who bowled 213, 215 and 221 for 649.

Other high triple scores were: Gail Medcalfe, 202, 243 and 200 for 645; Bruce Medcalfe St. 183, 251 and

180 totalling 614; Bill Cowan 176, 232 and 198 for 606; tied with Lillian Goveatt, 199, 241 and 166 also adding up to 606; Jim Foster, 189, 213 and 202 for 604; and Bob Patton bowling 163, 243 and 195 for 601.

Some other high single scores rolled this week show Fern Donnelly with 236, Jack Yateman with 235, Peggy Henderson with 224, Bruce Medcalfe Jr. with 222, Eugene Ripley with 203 and Annie Jones with 202.

H.H.S.S. News

by Becky Davidson

The Instrumental Music Department is getting ready for their Christmas Concert on Wednesday, December 15. The three musical groups that will be performing are the Senior Band, Junior Band, and the H.H.S.S. Stage Band. The programme features a variety of music, along with some carol singing.

Examination timetables have now been issued and are a reminder that right after the Christmas holidays we will be getting back to serious business. Examinations will be written January 14 to January 21.

On Tuesday, December 7, we were visited by a representative from the Radio College of Canada who came to speak to the senior students interested in careers in electronics.

In the COSSA Championship held on Saturday, December 4, both of our girls' basketball teams came up with close games in the semi-finals. Our seniors lost to Clarke 39-42. Our high scorer was Donelda Danilko with 14 points. In the consolation final, they lost 52-30 to Dennis O'Connor. Our juniors lost to Bancroft 22-19 with Allison English as our high scorer with 10 points. In the consolation final they again met Norwood losing 36-18.

Our 50-Mile Club has completed its first month and are ready to begin their second month of running. The final results after one month of running are: Mr. Brohman - 50 miles, Mr. Oakley - 40 miles, Mr. Lerpiner - 27 miles, Miss Keohler - 19 miles, Angela Bishop - 6 miles, and Doug McNab - 1 mile.

Several students from the school have been very busy rehearsing for the sixth annual production of "The Birth of Jesus", a traditional Christmas pageant with music, which will take place at St. George's Anglican Church, Haliburton, on Tuesday, December 21st and again on Wednesday, December 22nd at 7:30 p.m. Tickets are available for the asking at Candlewood or Varty's.

Report from Queen's Park

by MPP John Eakins

Both Opposition Leaders called upon the Government to have an emergency debate on the Greyhound/Gray Coach controversy, which they considered to be a matter of urgent public importance, which should take precedence over other matters.

After strong and growing pressure in the Legislature, the Ontario Cabinet has told the Ontario Highway Transport Board to reconsider the decision to allow Greyhound Lines of Canada Ltd. to compete with the publicly owned Gray Coach Lines Ltd. As Stuart Smith has pointed out, this would be equivalent to Ontario handing over a \$10 million public asset to a U.S. controlled company.

The Minister of Transportation and Communications has asked the OHTB to re-examine the economic impact of the decision, and determine how this will affect bus service to smaller communities and Gray Coach finances. T.T.C. and union officials have warned that some 245 jobs could be lost and company put in the red by \$300,000, although the president of Greyhound has said the new routes to be granted his company would "increase employment in Ontario by at least 90 jobs - and perhaps as many as 130."

According to the Minister, his decision to ask for the review is not a reversal of government policy, nor a hearing of the decision. Stuart Smith and Stephen Lewis have attacked the Minister over statements he has made about the Board's decision which indicate, they say, that he has already made up his mind. Stuart Smith maintains that the review is "an admission of the Board's failure to deal adequately with the matter."

The Minister of Natural Resources has stated that his ministry is seeking ways of easing the province out of the camping business. He has said that the government would like to drop the financial burden of the 21,000 campsites in 123 provincial parks, which last year attracted more than 1,500,000 campers. It is estimated that the campgrounds lose something like \$9.5 million annually, and the government would like almost all provincial campsites to be in the hands of private enterprise companies. However, it would seem that it could take approximately 20 years to hand over all the campsites. The immediate effect would be to increase the present \$3.50 per night charge. The Minister made it clear that any new provincial parks would not have campgrounds in them, and he indicated that no campgrounds are under construction at present.

Ontario's Health Minister has set down orders restricting the power of the province's psychiatric hospitals to bring criminal charges against children in their care. In future, these hospitals will have to submit any request for such action to the Minister for his personal approval. Also the hospitals have been instructed that no charges are to be brought simply out of a wish to relocate a child who is difficult to manage.

The Legislature has approved in principle a bill which would regulate funeral directors and their services in Ontario. This legislation would set up committees to deal with complaints from the public. It is also proposed that the number of members on a governing board determining licensing should be increased from five to seven, and that two members be from outside the profession. Ed Good, Liberal MPP for Waterloo North, who is a funeral director, said the bill is good legislation, replacing laws which have not been changed since the 1940s. The bill would replace the and Funeral Directors Act.

This and that

By Jennifer Woods

If you are going to be giving a Christmas party this year I heartily recommend that you serve hors-d'Oeuvres. Every year a friend of mine gives a party that has become a legend for the food she serves. She spirits around her guests plying them lovingly with prepared tidbits and making them feel very special. She very kindly gave me some of her recipes and believe me they sure beat peanuts and chips.

Chicken Livers and Bacon Rolls

Precook livers and bacon. Chop each liver into four pieces and each slice of bacon into three sections. Make sure bacon is not too crisp. The wrap bacon around each liver piece and fix with a toothpick. Store in the fridge until you are ready to serve. To serve preheat oven to 375F and cook for fifteen minutes. Bring them to your guests as they sizzle and allow at least 4 per person. If by chance you have invited my husband double that amount!

Savoury Tarts

This recipe is quite unique and so easy. First, you must have a set of the small tart tins, they can be purchased in any hardware store. Roll out four slices of whole wheat bread with a rolling pin until they are quite flat. Then butter the bread. With a very small cookie cutter cut out about (approx.) 9 circles from each slice of bread and place them in the tart tins. Bake until crisp about 10 minutes at 375F. These shells can be filled with a white sauce that contains cheese, lobster, crab, chicken etc. They are delicious. My favourite are the ones filled with a white sauce that contains pieces of mushrooms. They can be stored in the fridge until they are ready to be heated for your guests. They need only 5 min. in a hot oven 375F.

Almond Cheese Balls

4 ounces of cream cheese
1 heaping teaspoon each of grated onion, minced parsley, minced chives and mince drained chutney or relish
Salt and pepper
½ cup toasted chopped almonds
paprika

Have the cheese at room temperature. Mix herbs and chutney into it and blend well. Add salt and pepper to taste. Form the mixture onto small balls and roll in almonds. Sprinkle with paprika and refrigerate under plastic wrap until needed. For a large number of people double the recipe; it works well.

Tartare Steak Balls

For a start don't tell your guests what they are eating until they have started eating them. The sirloin used in this recipe is raw and they won't know it. It is truly delicious as an appetizer and will certainly add a little difference to your party. And it is easy to prepare.
½ pound of sirloin all fat removed
2 egg yolks
salt and pepper
1 tsp. olive oil
parsley and chives mixed
capers

1 lemon cut into sixth
Mince the steak, do not cook. Blend with egg yolks, olive oil and salt and pepper. Roll this mixture into balls and roll in parsley and chives to give the balls a green colour. Arrange on a plate and sprinkle with capers (optional but delicious) and garnish with lemon wedges. Refrigerate. Serve with crackers or thin slices of rye bread. Remember don't tell them until later.

The marvelous thing about all these hor-d'Oeuvres is that they can all prepared ahead of time which makes things easy for you. And you can count on them to make all your guests happy. Have a wonderful time at your parties and "happy munching."

Bill Smiley

© The Argyle Syndicate Ltd.

MY WIFE and I had a terrific fight the other night. She's always reading articles and watching television panels. One week it's how you can guarantee that your baby will be a boy (or a girl). The next time it's how to avoid dying in your sleep by positive dreaming.

As you can imagine, some of these topics don't really send me, and she gets quite annoyed when I don't wax sufficiently enthusiastic.

I try to participate in the monologue by reading her one of my favorite articles, something like, "Is The Real John Turner Just a Shy, Humble Little Boy Underneath It All?"

She just retorts, "Who cares?" and goes relentlessly back to her own article, which this week was about battered wives. The article was entitled "Couples That Batter Each Other Matter to Each Other," or something equally ridiculous. Its gist was that married people who fight, even physically, are far happier than those who hold in their resentments and become psychologically warped as a result.

For once I made a stand. I told her, in words to that effect, that that was a lot of women's magazine, soap opera crap. I went on to cite some of our friends who used to batter each other regularly, and are now happily divorced from each other and remarried to non-batterers.

For some reason this irked her. I don't know whether it was the male chauvinistic crack or the fact that some of

her friends are happier with a new mate, but she started a fight.

Her article hadn't said anything about battered husbands. I'll draw a veil over the next few minutes, for those with tender sensibilities who have never been hit by a sneak punch from a woman when they weren't looking.

Anyway, when I had picked myself off the floor, wiped the blood from my nose, and locked myself safely in the bathroom, I issued an ultimatum. "If you ever lay a finger on me again, I'm leaving. I'm going home to your father."

Her reply: "Go ahead, you crumb! If you walk out of this house, you'll never get back in. It's in my name. So's the car. I'll clean out our joint account, garnish your salary, hire a lawyer, and put you on Skid Row, where you belong."

I needn't tell you here that she had recently read some shyster's article about how to go about doing just that to your husband.

I was so mad that I was adamant for quite a while. If there'd been a phone in that bathroom, I'd have called the police for an escort and walked right out of there. But there wasn't.

I ignored her further taunts, all of them on a similarly low, despicable level, and maintained a dignified silence. She calls it sulking. Fortunately, there was a good paperback novel on the back of the toilet, and I was soon absorbed.

She can't stand this. Bitter, invective, coarse comments, even bad language rolls off her shoulders. But she nearly goes out of her skull when there's nobody listening to her.

Finally, "Do you want a cup of tea, you cowardly bum?"

I didn't make a sound for a full minute, then grunted, "Maybe. What else?" I meant a full apology and an abject admission of her guilt in instigating the donnybrook.

"And a piece of apple pie," she snapped. "With cheddar cheese." I gave up. How can you reason with someone like that?

"Well, O.K. But no more battering, baby, or I call the cops."

After a while, we had cooled out a fair bit, and she got me an ice pack for my nose. I was willing to forget it, but underneath I was still simmering, and I entertained thoughts of cashing my two \$100 bonds the next day, skipping off to the Canary Islands, and leaving her high and dry.

But, like every woman I've ever met, she wanted to "talk things out." That's one of the most disgusting phrases in the English language. Right, chaps?

It was finally decided that we'd each make a list of our worst faults, let the other have a look at the list, then try to do something about it.

I worked away assiduously for what seemed hours, my tongue stuck out of one corner of my mouth. My list

went something like this:

a) too ready to forgive wife; should be firmer

b) too generous with my children; must be tighter

c) too fond of brandy; must be sterner

d) complain too much about arthritis; should complain more about hemorrhoids

Well, my list went on and on and on. I didn't realize what a truly rotten guy I was until I started to put it down. My wife finished fairly quickly, and resumed her overt affair with her sewing machine (one of the things that are driving us apart).

Handed over my list. She started to read it with a benign smile. The smile began to curl down on the corners. Her face got red.

"Why, you lousy little cockroach!" she exploded. I didn't point out that she was being redundant.

I'd like to tell you this little marital drama had a happy ending, that it wound up in a clinch.

Well, it did wind up in a clinch. I had her arms so tied up that Muhammad Ali couldn't have thrown a punch in the same situation. So she knelt me you know where.

When I had stopped grunting, and got to my knees, I picked up her list of faults, which she'd thrown in my face as I lay prostrate.

I half expected that she'd write something like, "My only fault is that I don't appreciate what a wonderful husband I have."

It was a little shorter than that. It just said, "None."

Gems of Truth

The Incarnation of Christ

The word incarnation comes to us from the Latin and simply means "in the flesh". To become incarnate then is to become flesh or to become a man. This is why the word is used of the Lord Jesus Christ. The Son of God, the second person in the Holy Trinity, became a man and took on Him a body of flesh. Scripture speaks very plainly about this event, for it is written: "A body hast Thou prepared me," Hebrews 10:5. This "prepared body" had to be a perfectly sinless body in order to accomplish what is was prepared for. Only such a body could be given in the natural process would be sinful and unholy and unfit for a true cleansing sacrifice.

The prophet Isaiah gave utterance to the way Jehovah God would bring this body into existence. How definite and minute that prophecy was! Is. 7:14. Some seven hundred years before Christ was born it was revealed that "the virgin" should conceive and she was to "bear a Son" whose name was to be called "Immanuel," meaning "God with us." That damsel was well known to God, but not to men. He knows the end from the beginning and the virgin was singled out from the maidens of Israel to be the chosen channel to bring into the world the Redeemer of Israel and all mankind. Hebrews 10:5 agrees perfectly with what the prophet foretold. "A body hast Thou prepared me."

These were the words of Christ as he communed with the Father. The time of His coming to earth had drawn near. Gods plan for the redemption of mankind was about to be revealed, and the response to that plan is re-echoed in the further words of Christ when He said, "Lo, I come... to do Thy will, O God" verse seven.

The hour of His Incarnation had come and He came to "do" the will of God. Mankind had utterly failed to do the will of God and still is unable to do His will apart from the salvation provided by the Saviour. The One who is "God blessed forever", came to man's rescue and offered Himself freely to accomplish salvation. How wonderful to hear Him say, "Lo, I come to do Thy will, O God." That will was connected with suffering and sacrifice, for without the shedding of His blood there is no remission of sin. Heb. 9:22.

To do Gods will, the Son needed a body. A body He could live in, a body He could die in, be buried, and raised again into another fashion. A glorified body to return to the Fathers right hand and in which He can come to earth again to sit upon David's Throne which has been vacant these many years.

While the Son was yet speaking to God saying, "Lo I come," we may think of the Angel Gabriel paying a visit to Mary at Nazareth. The virgins name is now un-

dered and her identity revealed. Gabriel told her what was to take place and who can describe the marvelous submission of that maiden when in deep humility and reverence she exclaimed, "Behold the handmaid of the Lord, be it unto me according to Thy Word 1:38.

The Holy Ghost was even then preparing "the body", and the conception was Divine. The words of the angel Gabriel were falling upon a submissive virgin, "The Holy Ghost shall come upon thee, and the power of the Highest shall overshadow thee; therefore also that holy thing which shall be born of thee shall be called the Son of God." Luke 1:35.

In this mysterious way the body of Christ was prepared. Here reason takes a back seat and inspired by reverent faith, bows in adoration. Here unbelief finds a thing incredible and sneers and denies. But that denial of that Divinely and supernatural prepared body, the denial of the Virgin Birth of Christ, is the denial of His Deity and the Truth of God. That denial takes away from us every hope of eternal salvation. Why not take God at His Word and be among those who have found the Saviour precious beyond words? What would Christmas be like if He had not come? But He has come, and the message of the angels to the shepherds on the hills of Bethlehem are sweet indeed. Luke 2:10-11.

New postal rates will apply to foreign mail (except USA) after December 31, 1976.

The following charts will show you the major changes.*

Send

Season's Greetings

To your Friends & Customers

with a specially selected Greeting Ad in a tastefully designed, colourful greetings section in our Dec. 22 Issue.

This special section will reach over 8,000 homes throughout Haliburton County, all of our cottage subscribers and former residents who still keep in touch with the Highlands through their subscriptions to The Echo and The Minden Recorder. This section has become a seasonal tradition in Haliburton County so if we haven't called on you yet ...

PLEASE CALL US AT

457-1037 or 286-2205

Either Creighton or Donna would be pleased to drop by and help you make your selection.

Deadline for this Section will be Saturday, Dec. 18th

From the Chamber

by Bob Stinson

The Chamber held the Elimination Draw/Dance in Wilberforce last Saturday and although no great profit was generated as hoped for, at least we didn't lose money and the party was certainly successful. The draw went down to three tickets before the lucky ticket holders decided to split the money rather than draw again. The winners who divided \$1,000 between them were Art Leggett of Haliburton, Ches Noseworthy of Gooderham, and Ruth Sawyer of R.R. 1 Haliburton.

Another \$500.00 worth of prizes were donated by a number of our members thereby providing one out of every three ticket holders with something of value to take home. The winners were as follows:

Joan McCausland - Haliburton "Lovers" Charm and bracelet - courtesy of Varty's Jewellers

Margaret Hickinbottom - Christmas Tree Stand - courtesy of Webster Wholesale

Joe Cary - 3/8" Electric Drill - courtesy of Carnarvon Bldg. Supplies

Marven Varty - 23 lb. Frozen Turkey - courtesy of Schneiders Meats

Murray Fearrey - Dinner for two at Mr. Fogg's - courtesy of Mr. Fogg's

Dan Sayers - Hunting and Fishing Knife Set - courtesy of Silver Springs Cabins

Barbara Bolin - Cassette Tape Recorder - courtesy of Arrow T.V. (Radio Shack)

Bill Foote - Science Lab Kit - courtesy of Arrow T.V. (Radio Shack)

Gareth Kellett - Diston Hand Saw - courtesy of J.J. Hunter Lumber

Len Salvatori - Case of Big Red Oil - courtesy of Haliburton Marine

Gerry Dawson - Haliburton "Lovers" T-Shirts - courtesy of Woodland Graphics

Richard Biagi - Surprise Package - courtesy of Gooderham Red & White

Marion Teatro - Set of Glasses - courtesy of Adams Distillery

John Samuels - Case of Shell Oil - courtesy of Shamrock Shell

John Curay - 3 Tier Cake Stand - courtesy of Agnews Store

Keith Prior - Casserole Dish - courtesy of Barr's Gen. Store

Tom Stinson - Tales of the Trails - courtesy of Glamorgan Twp.

Murray Agnew - Christmas Cake - Fotheringham's Bakery

Len Ellison - Flashlight & accessories - courtesy of Dale's Texaco

Ken Wilson - \$25.00 Cheque - courtesy of Brohm & Leighton

Dale Oldham - 2 Prov. Lottery Tickets - courtesy of Graham's Shell

Bill Gottwald - B. & D. Sabre Saw - courtesy of Haliburton Lumber

Mike Zapfe - \$20.00 Merchandise Voucher - courtesy of Mike's Milk

Ted Gardiner, John Brophy, and Peter Priestman, each, Two Year Subscriptions - Minden Progress

Robert Kladow - Load of 5/8 crusher run - courtesy of Shamrock Drillers

As you can see by the list we did have wonderful co-operation from many members of our business community and it is certainly appreciated. You can look forward to this type of draw next year but certainly at a different time when people are not so busy elsewhere.

We are certainly pleased to see the great strides being made by our Haliburton Highlands Cross Country Club. Following their very successful membership meeting at the high school they have produced a news letter that is not only extremely informative for potential be-

a.m. on both Saturday and Sunday, conditions permitting. This is your chance to try out the new trails this club has developed in the park. On Tuesday, December 21st at the High School Cafeteria they are holding a workshop on waxing and pine tarring etc. If you are interested in these and more activities of this club, and you didn't receive a newsletter - may we suggest you join their organization and they will keep you informed. Call the Chamber and we

will put you in touch. The Kashagawigamog Tourist Association have also been busy working on trails and have completed trails from Pine Stock back beyond Tyler's Air Service and are now working from Hunter's Horn towards the Village. The Canada Manpower Outreach Office is now in full swing. An "official" opening is scheduled for January 21st, but in the meantime it's business as usual and the girls are prepared to try and help you with your

employment problems now. We have worked hard to obtain this service for the community - do make use of it. Jane Northgrave will be setting up a time and place to meet with the people of Minden, Stanhope and Wilberforce on a regular weekly basis. Details will appear in this column next week. A St. Bernard Dog wandered off from Little Hawk Resort on the week-end. The dog is apparently very shy and will probably avoid

anyone who may be trying to help. If you have seen this dog anywhere please call Betty Bennett at 489-2158.

IN MEMORIAM

DEAN - In loving memory of a dear husband and father, Mark Dean, who passed away Dec. 13, 1975.

We cannot have the old days back. When we were all together. But secret tears and loving thoughts, will be with us forever.

Sadly missed by his loving wife, Vera, sons Brian and Peter and daughter-in-law Bridgette.

REYNOLDS - In loving memory of a dear son, Larry, who passed away suddenly December 17, 1975.

A golden heart stopped beating. Two working hands at rest. God broke our hearts to prove to us. He only takes the best. The blow was hard, the shock severe. We never thought his death so near. Only those who have lost can tell. The pain of parting without farewell.

Lovingly remembered by mother Mabel.

In Memoriam

WILCOX - In loving memory of a dear brother-in-law who passed away Dec. 22, 1974.

Just a prayer from the family who loved you. Just a memory fond and true. In our hearts you will live forever. Because we thought the world of you. A golden heart stopped beating. Two smiling eyes at rest. God took you to his heart. To prove he only takes the best.

It was a sudden parting. Too bitter to forget. Only those who loved you. Are the ones who never will forget.

Lovingly remembered by Ed & Mary Mumford.

In loving memory of a dear Husband & Father, Edward Francis, who passed away Dec. 11th, 1968.

Sadly missed along lives way. Quietly remembered everyday. No longer in our life to share. But in our hearts he's always there.

Sadly missed by wife, Marjorie May & Bazil, John & Rhonda and grandsons.

Death Notice

HALL, M. JEAN - after a lengthy illness, resting peacefully with the Lord at her residence 481 Melcrest Road London on Friday, December 3, 1976.

M. Jean Hall (Finlay) in her 69th year. Beloved wife of the late William (Bill) Hall (1975). Dear mother of Eleanor (Mrs. Douglas Westgate) of London, dear sister of Hillard of Lindsay, Donald and Harry both of Tory Hill; Ria (Mrs. William Hart) of Exeter. Also survived by three grandchildren; predeceased by a brother Gerald Finlay.

Friends called at Geo. E. Logan & Sons Funeral Home, 371 Dundas Street, London where funeral and committal service was held in the chapel on Monday, December 6 with Reverend Kenneth Gallinger of Gethsemane United Church officiating. Interment Forest Lawn Memorial Garden, London. Friends who wish may make memorial donations to the Multiple Sclerosis Society.

NOTICE TO CREDITORS

NOTICE TO CREDITORS AND OTHERS

ALL PERSONS having claims against the Estate of **HAROLD JOHN DOUGLAS** late of the Township of Dysart in the Provisional County of Haliburton who died on the 2nd day of November, 1976, are required to file proof of same with the undersigned Solicitor on or before January 8th, 1977 after which date the estate will be distributed having regard only to the claims of which the undersigned shall then have notice.

DATED at Haliburton, this 2nd day of December, 1976.

David M. Bishop, Barrister and Solicitor, Bishop Building, P.O. Box 472, Haliburton, Ontario, K0M 1S0 for the Executrix **IRENE ELLEN JANE DOUGLAS** of Haliburton, Ontario.

Candlelight service

A church full of warmth, candlelight and singing was the way that the parish of St. George's greeted the Christmas season.

A service of lessons and carols for Advent and Christmas was held by candlelight at St. George's, Haliburton, for a large congregation.

ation that came out, or rather, came in, in spite of the bad weather.

The choir, augmented by a few extra voices, under the direction of Phil Gliddon, sang for and with the congregation.

Readers from all three churches in the parish, St. Andrew's West Guilford, St. Margaret's Wilberforce and St. George's gave the lessons.

It was really a community service, with all ages represented, that gave everyone a chance to be joyful together about the coming and the presence of Christ.

Obituary

Graham

Funeral service for Mabel Ann Graham, 89, who died suddenly at Dryden District General Hospital Friday, Nov. 26, was held at St. John's Anglican Church, Wabigoon, Monday, Nov. 29. Rev. Robert Rolis and Dr. G.W. Plumridge officiated and interment was in Wabigoon cemetery. Mabel's Funeral Home was in charge of arrangements.

Born and educated at Burnt River, Ont. Mrs. Graham moved to Saskatchewan in 1912 and to Wabigoon in 1922.

Mrs. Graham is survived by two daughters Irene Paterson of Wabigoon, and Bertha, at home; four sons, Alvin and Don, at home; Harry of Wabigoon and Bill of Ignace; a sister, Maud Dudson, of Toronto; ten grandchildren, 21 great grandchildren, several nieces and nephews. She was predeceased by her mother in 1898, her father in 1942; her husband, Bert in 1950; a daughter, Ethel in 1929; a daughter, Margaret Finlayson, grandchildren Jack and Dorothy Graham, grandchild Betty Huckell, and eight grandchildren, all drowned in 1965; a son, Cecil in 1971, two brothers and three sisters.

Palbearers were Robert Green, Sven Norman, Bob Higgins, John Maggah, Alvin Lundmark, and Floyd Harper.

Obituary

Bryant

A resident of Oshawa for 50 years, who also lived in Haliburton and retired from General Motors in 1967, Ross Everett Bryant died at the Red Cross Hospital, Haliburton, Saturday, Dec. 4, 1976 following a lengthy illness. He lived on Meadowview Road in Haliburton.

Born June 21, 1901 in Murray Township, he was a son of the late Mr. and Mrs. Fred Bryant. He was married July 12, 1967 in Minden.

He was a member of the Odd Fellows Lodge, was a member of John Street Senior Citizens, and was a former member of Woodview Park Association.

His first wife, the former Maude Pierce, died in 1966.

He is survived by his wife, the former Edmeline Gainsforth; three step-daughters, Mrs. Leslie Smith (Arthella) of Haliburton; Mrs. Norman Cowen (Winnifred) of Ottawa; Mrs. Greta Woolley of Haliburton; two sisters, Mrs. Mel Weir (Annie May), Mrs. Arthur Bryant (Mary), both of Oshawa, the son Ken of Oshawa.

A brother, Bruce, died in 1965.

Mr. Bryant is at the Armstrong Funeral Home. Service will be held in the chapel Wednesday at 1:45 p.m. with interment in Oshawa Union Cemetery. Rev. John Anderson will officiate.

Memorial donations to the Canadian Cancer Society would be appreciated.

A loving voice said, "Come" I often sit and think of you. The things you used to say. I wonder why you had to die. Without a chance to say good-bye. Though out of sight, you're ever still missed, loved, still mine. You will live with me in memory. Until the end of time.

Sadly missed by wife Sharon and children Kelly and Corey.

REYNOLDS: In loving memory of our dear nephew and cousin, who passed away suddenly, Dec. 17 1975. If we could only see you, your hands we could touch. And hear you say "Hello" to us, things wouldn't hurt so much. We did not stand beside you, to see your life depart. But when we heard that you were gone, it really broke our heart. If tears could build a stairway, And memories were a lane, We would walk all the way to heaven, And bring you home again.

Lovingly remembered by Aunt Chub and family.

Man fined \$100 in Minden court

William J. Legge of Willowdale was fined \$100 and \$3 court costs in the provincial court in Minden on Monday November 29 for a conviction on a charge of careless driving.

Legge caused \$2,000 damage to his vehicle when on August 8, he lost control

of his car while southbound on highway 35. He crossed to the east side of the road, travelled some distance, went back across the road and rolled the vehicle, ending upright facing west.

Legge pleaded guilty to the charge and a minimum fine was requested.
